REASONS FOR ALLOWANCE

Drawings

1. New formal drawings are required in this application because drawings are objected to under 37CFR 184(g, l, m, p) or 1.152 (i.e., lines, numbers and letter are not uniformly thick, clean and/or durable). Applicant is advised to employ the services of a competent patent draftsman outside the Office, as the U.S. Patent and Trademark Office no longer prepares new drawings. The corrected drawings are required in reply to the Office action to avoid abandonment of the application. The requirement for corrected drawings will not be held in abeyance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
